1. **BORROWER'S PROMISE TO PAY**
In return for a loan that I have received, I promise to pay U.S. \$ 333,000.00 (this amount is called "Principal"). plus interest, to the order of the Lender. The Lender is COAST BANK OF FLORIDA

I will make all payments under this Note in the form of cash, check or money order.

I understand that the Lender may transfer this Note. The Lender or anyone who takes this Note by transfer and who is entitled to receive payments under this Note is called the "Note Holder."

2. **INTEREST**
Interest will be charged on unpaid principal until the full amount of Principal has been paid. I will pay interest at a yearly rate of 8.000 %. The interest rate I will pay will change in accordance with Section 4 of this Note.
The interest rate required by this Section 2 and Section 4 of this Note is the rate I will pay both before and after any default described in Section 7(B) of this Note.

3. **PAYMENTS**

(A) **Time and Place of Payments**

I will pay principal and interest by making a payment every month.

I will make my monthly payment on the first day of each month beginning on January 1st, 2007. I will make these payments every month until I have paid all of the principal and interest and any other charges described below that I may owe under this Note. Each monthly payment will be applied as of its scheduled due date and will be applied to interest before Principal. If, on January 1st, 2036, I still owe amounts under this Note, I will pay those amounts in full on that date, which is called the "Maturity Date."

I will make my monthly payments at POST OFFICE BOX 150
BRADENTON, FL 34207

4. INTEREST RATE AND MONTHLY PAYMENT CHANGES**(A) Change Dates**

The interest rate I will pay may change on the first day of January 2007, and on that day every 12th month thereafter. Each date on which my interest rate could change is called a "Change Date."

(B) The Index

Beginning with the first Change Date, my interest rate will be based on an Index. The "Index" is the weekly average yield on United States Treasury securities adjusted to a constant maturity of one year, as made available by the Federal Reserve Board. The most recent Index figure available as of the date 45 days before each Change Date is called the "Current Index."

If the Index is no longer available, the Note Holder will choose a new index which is based upon comparable information. The Note Holder will give me notice of this choice.

(C) Calculation of Changes

Before each Change Date, the Note Holder will calculate my new interest rate by adding FIVE AND 375/1000 percentage points (5.375 %) to the Current Index. The Note Holder will then round the result of this addition to the nearest one-eighth of one percentage point (0.125%). Subject to the limits stated in Section 4(D) below, this rounded amount will be my new interest rate until the next Change Date.

The Note Holder will then determine the amount of the monthly payment that would be sufficient to repay the unpaid principal that I am expected to owe at the Change Date in full on the Maturity Date at my new interest rate in substantially equal payments. The result of this calculation will be the new amount of my monthly payment.

(D) Limits on Interest Rate Changes

The interest rate I am required to pay at the first Change Date will not be greater than 10.000 % or less than 6.000%. Thereafter, my interest rate will never be increased or decreased on any single Change Date by more than two percentage points (2.0%) from the rate of interest I have been paying for the preceding 12 months. My interest rate will never be greater than 14.000 %.

(E) Effective Date of Changes

My new interest rate will become effective on each Change Date. I will pay the amount of my new monthly payment beginning on the first monthly payment date after the Change Date until the amount of my monthly payment changes again.

(F) Notice of Changes

The Note Holder will deliver or mail to me a notice of any changes in my interest rate and the amount of my monthly payment before the effective date of any change. The notice will include information required by law to be given to me and also the title and telephone number of a person who will answer any question I may have regarding the notice.

5. BORROWER'S RIGHT TO PREPAY

I have the right to make payments of Principal at any time before they are due. A payment of Principal only is known as a "Prepayment." When I make a Prepayment, I will tell the Note Holder in writing that I am doing so. I may not designate a payment as a Prepayment if I have not made all the monthly payments due under the Note.

I may make a full Prepayment or partial Prepayments without paying a Prepayment charge. The Note Holder will use my Prepayments to reduce the amount of Principal that I owe under this Note. However, the Note Holder may apply my Prepayment to the accrued and unpaid interest on the Prepayment amount, before applying my Prepayment to reduce the Principal amount of the Note. If I make a partial Prepayment, there will be no changes in the due dates of my monthly payment unless the Note Holder agrees in writing to those changes. My partial Prepayment may reduce the amount of my monthly payments after the first Change Date following my partial Prepayment. However, any reduction due to my partial Prepayment may be offset by an interest rate increase.

6. LOAN CHARGES

If a law, which applies to this loan and which sets maximum loan charges, is finally interpreted so that the interest or other loan charges collected or to be collected in connection with this loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from

me which exceeded permitted limits will be refunded to me. The Note Holder may choose to make this refund by reducing the Principal I owe under this Note or by making a direct payment to me. If a refund reduces Principal, the reduction will be treated as a partial Prepayment.

7. BORROWER'S FAILURE TO PAY AS REQUIRED

(A) Late Charges for Overdue Payments

If the Note Holder has not received the full amount of any monthly payment by the end of **FIFTEEN** calendar days after the date it is due, I will pay a late charge to the Note Holder. The amount of the charge will be **5.000 %** of my overdue payment of principal and interest. I will pay this late charge promptly but only once on each late payment.

(B) Default

If I do not pay the full amount of each monthly payment on the date it is due, I will be in default.

(C) Notice of Default

If I am in default, the Note Holder may send me a written notice telling me that if I do not pay the overdue amount by a certain date, the Note Holder may require me to pay immediately the full amount of principal which has not been paid and all the interest that I owe on that amount. That date must be at least 30 days after the date on which the notice is mailed to me or delivered by other means.

(D) No Waiver By Note Holder

Even if, at a time when I am in default, the Note Holder does not require me to pay immediately in full as described above, the Note Holder will still have the right to do so if I am in default at a later time.

(E) Payment of Note Holder's Costs and Expenses

If the Note Holder has required me to pay immediately in full as described above, the Note Holder will have the right to be paid back by me for all of its costs and expenses in enforcing this Note to the extent not prohibited by applicable law. Those expenses include, for example, reasonable attorneys' fees.

8. GIVING OF NOTICES

Unless applicable law requires a different method, any notice that must be given to me under this Note will be given by delivering it or by mailing it by first class mail to me at the Property Address above or at a different address if I give the Note Holder a notice of my different address.

Any notice that must be given to the Note Holder under this Note will be given by delivering it or by mailing it by first class mail to the Note Holder at the address stated in Section 3(A) above or at a different address if I am given a notice of that different address.

9. OBLIGATIONS OF PERSONS UNDER THIS NOTE

If more than one person signs this Note, each person is fully and personally obligated to keep all of the promises made in this Note, including the promise to pay the full amount owed. Any person who is a guarantor, surety or endorser of this Note is also obligated to do these things. Any person who takes over these obligations, including the obligations of a guarantor, surety or endorser of this Note, is also obligated to keep all of the promises made in this Note. The Note Holder may enforce its rights under this Note against each person individually or against all of us together. This means that any one of us may be required to pay all of the amounts owed under this Note.

10. WAIVERS

I and any other person who has obligations under this Note waive the rights of Presentment and Notice of Dishonor. "Presentment" means the right to require the Note Holder to demand payment of amounts due. "Notice of Dishonor" means the right to require the Note Holder to give notice to other persons that amounts due have not been paid.

11. UNIFORM SECURED NOTE

This Note is a uniform instrument with limited variations in some jurisdictions. In addition to the protections given to the Note Holder under this Note, a Mortgage, Deed of Trust, or Security Deed (the "Security Instrument"), dated the same date as

this Note, protects the Note Holder from possible losses which might result if I do not keep the promises which I make in this Note. That Security Instrument describes how and under what conditions I may be required to make immediate payment in full of all amounts I owe under this Note. Some of those conditions are described as follows:

If all or any part of the Property or any Interest in the Property is sold or transferred (or if Borrower is not a natural person and a beneficial interest in Borrower is sold or transferred) without Lender's prior written consent, Lender may require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if such exercise is prohibited by Applicable Law. Lender also shall not exercise this option if: (a) Borrower causes to be submitted to Lender information required by Lender to evaluate the intended transferee as if a new loan were being made to the transferee; and (b) Lender reasonably determines that Lender's security will not be impaired by the loan assumption and that the risk of a breach of any covenant or agreement in this Security Instrument is acceptable to Lender.

To the extent permitted by Applicable Law, Lender may charge a reasonable fee as a condition to Lender's consent to the loan assumption. Lender may also require the transferee to sign an assumption agreement that is acceptable to Lender and that obligates the transferee to keep all the promises and agreements made in the Note and in this Security Instrument. Borrower will continue to be obligated under the Note and this Security Instrument unless Lender releases Borrower in writing.

If Lender exercises the option to require immediate payment in full, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is given in accordance with Section 15 within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

12. DOCUMENTARY TAX

The state documentary tax due on this Note has been paid on the mortgage securing this indebtedness.

ADDENDUM TO NOTE - CONSTRUCTION/PERMANENT LOAN

THIS ADDENDUM TO THE NOTE is made and entered into **December 01, 2005**, by and between the undersigned **JANIS STEWART** (the "Borrower") and **COAST BANK OF FLORIDA** (the "Lender"), simultaneously with the Note executed and delivered by Borrower to Lender (the "Note"), for the purpose of modifying and amending the terms of the Note to incorporate the following additional terms and conditions:

1. **CONSTRUCTION INTEREST.** Notwithstanding the terms of the Note, until **January 01, 2007**, the date amortized monthly payments of principal and interest are scheduled to begin (referred to below as the "Amortization Commencement Date"), the indebtedness loaned pursuant to the Note, and the terms of the Mortgage and Construction Loan Agreement of even date, shall bear interest prior to default at the following rate:

(Complete a or b)

a. _____% per annum over the rate announced by CHASE MANHATTAN as its "Prime Rate". The current Prime Rate is _____. Changes in the Prime Rate shall be effective as follows:

(1) _____ (check if applicable) any change in Prime Rate shall be effective on the date of the change;

(2) _____ (check if applicable) the Prime Rate on the first calendar day of the month shall remain in effect for the entire calendar month.

OR

b. The interest rate is 8.00%

2. **CONSTRUCTION PAYMENTS.** Prior to the Amortization Commencement Date, Borrower shall make regularly scheduled payments as follows:

(Complete a or check and complete b)

a. X payments of interest only on the amounts disbursed and outstanding from time to time on the Note, which shall be due and payable to the Lender on the first day of each month beginning on the first day of the next month following the first loan disbursement.

b. _____

3. **PERMANENT LOAN MODIFICATION.** Notwithstanding anything to the contrary in the Note, upon completion of construction, Borrower shall enter into a written mortgage modification agreement with the Lender (the "Modification") to establish, modify and confirm the initial payment date, the interest rate, and any other necessary changes to the terms of the Note and Mortgage, as applicable. The failure or refusal of the Borrower to execute and

(TP105001.2)

deliver the Modification to the Lender within thirty (30) days after the issuance of the Certificate of Occupancy, shall constitute an event of default, upon which the Lender may, at its option, declare the entire indebtedness on the Note immediately due and payable. In the event construction is completed more than one month in advance of the Amortization Commencement Date, Lender shall have the option to advance the date of the first amortized payment of principal and interest at the time of the Modification.

4. LATE CHARGES. If the Note Holder has not received the full amount of any monthly interest payment by the end of 15 calendar days after the date payment is due, the Borrower will pay a late charge to the Note Holder. The amount of the charge will be 5% of the overdue payment. The Borrower will pay this late charge promptly, but only once on each late payment.

5. EARLY MATURITY. If the Borrower is in material default under the Construction Loan Agreement prior to Modification, the Borrower acknowledges and agrees that the Lender shall have the option, at the Lender's sole and absolute discretion, to declare the Loan in default, accelerate the maturity date of the Note, and demand immediate payment of the entire indebtedness together with the prepayment penalty, upon not less than one hundred twenty (120) days written notice. For purposes of this section, a "material default" under the Construction Loan Agreement shall include the failure to (i) make timely payments on the Note, (ii) pay real estate taxes before they become delinquent, (iii) maintain insurance on the mortgaged property, (iv) timely notify or keep the Lender adequately informed about delays in construction, (v) provide adequate security for the mortgaged property and the Improvements being constructed thereon, including the materials used for construction, (vi) timely post a bond for any construction lien when required by the Lender, (vii) provide notice to the Lender of changes to the plans and specifications that may adversely affect the value of the completed Improvements, or (viii) complete the Improvements prior to expiration of the "Construction Period," as that term is defined in the Construction Loan Agreement. Upon any event of material default and the Lender's delivery of the 120 day written notice declaring the Note due and payable, the maturity date of the Note shall be advanced to the date set forth in the Lender's notice letter and the Borrower's right to Modification shall terminate. Upon failure of the Borrower to timely pay the indebtedness owed, the Lender shall have the right to foreclose on the Mortgage and exercise any other remedies available to the Lender.

Borrower's Initials *JK*

6. NO SECONDARY FINANCING. As a condition for the Loan, the Borrower shall not encumber the Property with any second mortgage or other subordinate financing ("Secondary Financing") prior to the 45th day following the Loan Modification (the "Prohibited Period"). Violation of this prohibition against Secondary Financing during the Prohibited Period shall constitute an event of default on the Note and Mortgage. If the Borrower obtains Secondary Financing during the Prohibited Period, then the Lender shall have the option, at the Lender's sole and absolute discretion, to declare the Loan in default, accelerate the maturity date of the Note, and demand immediate payment of the entire indebtedness together with the prepayment penalty, upon not less than one hundred twenty (120) days written notice.

(TP105001:2)

Upon an event of default under this Section and the Lender's delivery of the 120 day written notice declaring the Note due and payable, the maturity date of the Note shall be advanced to the date set forth in the Lender's notice letter and the Borrower's right to Modification shall terminate. Upon failure of the Borrower to timely pay the indebtedness owed, the Lender shall have the right to foreclose on the Mortgage and exercise any other remedies available to the Lender. The Borrower acknowledges that the Borrower's agreement not to obtain Secondary Financing during the Prohibited Period is a material inducement for the Lender to make the Loan to the Borrower, and that without the prohibition against Secondary financing the Lender would not make the Loan.
